**GAYATRI PRAKASHAN, NAGPUR.**

**Dr. Avinash V. Bharati** has done M. Sc. and Ph. D. from PGTD of Chemistry, RTM Nagpur University, Nagpur. He is Head & Associate Professor at Shri Ramdeobaba College of Engineering and Management, Nagpur with 29 years of teaching experience. Dr. Bharati is also Chairman, Nagpur Chapter, of Indian Society of Analytical Scientists. He is BOS member in Applied Sciences and Humanities, RTMNU, Nagpur. He has written three books on Chemistry. He is a registered guide in RTM, Nagpur University, Nagpur. 6 students have been awarded Doctoral Degree under his guidance. He has given a number of guest lectures and seminars in many institutions and participated in seminars, workshops and symposiums.

**Dr. (Mrs.) Seema A. Shrivastava**, M. Sc. (Organic Chemistry), Ph. D. is Head, Department of Applied Chemistry at Priyadarshini College of Engineering, Nagpur. She has more than two decades of experience in teaching at Graduate and Post Graduate levels in Science and Technology fields. She has been showered with many awards for her research papers at National and International conferences. Dr. Seema Shrivastava has been delivering guest lectures on many important topics at many places across the country. He is BOS member in Chemistry, Sant Gadge Maharaj Amravati University, Amravati. She has 3 Copyright registered in her credit.

**Dr. (Mrs.) Seema G. Rawat** is Assistant Professor, in the Department of Applied Chemistry, Priyadarshini College of Engineering, Nagpur since 2010. She is M. Sc., B. Ed., Ph. D. from Nagpur University, Nagpur and Diploma in Vedic Mathematics from KKKS, University, Ramtek. She has total 18 years teaching experience at Graduate and Post Graduate levels in Science and Technology fields. She has written three books on Chemistry. She has 4 Copyright registered in her credit.

**Dr. Indrani B. Das Sarma**, Associate Professor in Jhulelal Institute of Technology, India, since 2008 with teaching experience of 18 years at Graduate and Post Graduate levels in Science and Technology fields. Her research interest is Nuclear & Analytical Chemistry and has 16 International publications. She has been resource person at various National & International forums on topics like nuclear & Analytical Chemistry, Disaster Management, creating e-learning resources.

**Dr. (Mrs.) Jyoti N. Thakre** is Assistant Professor in the Department of Chemistry, St Vincent Pallotti College of Engineering and Technology, Nagpur, India. She has completed M.Sc., M.Phil. and Ph.D. degrees in Chemistry from Rashtrasant Tukadoji Maharaj, Nagpur University, Nagpur. Her research interest is in the field of Nanotechnology. She has 19 years of teaching experience in UG Science and Engineering College.

**Dr. Kiran M. Khandarkar** is Ph. D. in Chemistry with R.T.M.N.U. Research fellowship and has research experience in DBT Network Project. He is presently working as Assistant Professor in St. Vincent Pallotti College of Engineering and Technology and has 9 years of teaching experience. He has a Patent published in the field of natural catalysts and 5 papers in International and 3 in National Journals to his credit. He has won Best Oral Paper Presentation award in an International Conference in 2014.
