FASHION DESIGNER / BAKER  
TAMAARA  
BAKED BY TRB

As a designer I have dressed brides across the continents. Creating a distinct identity with high-end couture detailing, intricate embroidery and unique use of fabrics and textures, is what makes my creations stand out in a crowd. I specializes in bridal trousseau, cocktail and western wear, kidwear and also offers fashion styling for shoots as well.

I strongly believes its the "little details" that matters be it a dress or a birthday cake.

For me **MY WORK IS MY PASSION**
